NODE

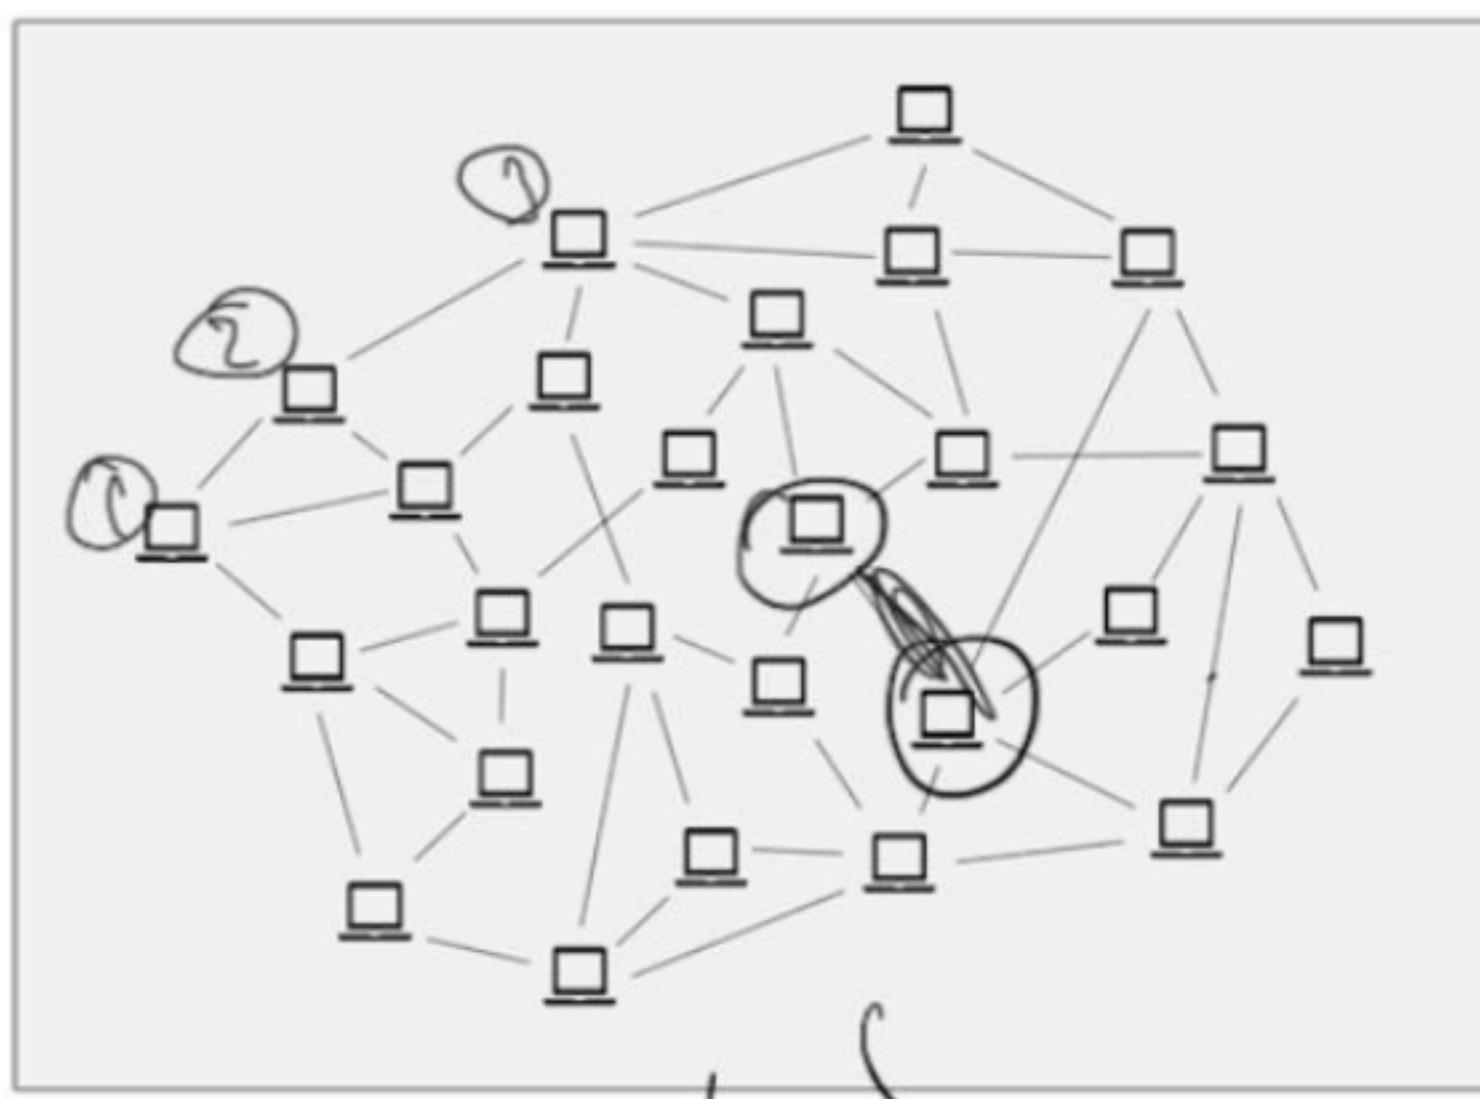

- run on blocks
- all blocks
- transaction

NODE:

E

→ 1000 computers
→ of which
→ just one

A hand-drawn diagram illustrating nodes and connections. The word "NODES" is written in large, bold, black capital letters. A single curved arrow points from the left towards the letters. Below the word, two thick, parallel black lines extend from the bottom left towards the right, representing connections or paths.

- run on blockchain
- all blocks
 - transactions
